To: [REDACTED]

Dear Melisa:

Thank you for your willingness to be on our extended waitlist for our College of Literature, Science, and the Arts. You are a very accomplished student, and we believe you could be successful at the University of Michigan.

However, we have now met our enrollment goals and unfortunately will not be able to offer you freshman admission for Fall 2013.

If your interest in the University of Michigan continues, please consider applying as a transfer student after your sophomore year. Generally, we give priority to transfer applicants at the junior level who have completed appropriate prerequisites for their intended major and who have demonstrated strong academic achievement.

We will be happy to help you in your planning – contact our office directly if you have individual questions regarding the transfer application process. You can also refer to the transfer information online at www.admissions.umich.edu/transfer-um.

We thank you for your strong interest in the University of Michigan and wish you the best as you pursue your educational goals.

Sincerely,

Theodore L. Spencer

Associate Vice Provost and Executive Director
