Melisa Savich

Dear Melisa Savich,

Thank you very much for applying to the Graduate School of Arts and Sciences at Yale University. I regret to inform you that we are unable to offer you admission. As you know, the very high number of extraordinary candidates among our more than 11,000 applicants far exceeds the number of places we have in each program, and we are not able to admit many excellent candidates.

We wish you every success in all your future endeavors.

Sincerely,

Lynn Cooley
Dean of the Graduate School of Arts & Sciences
C.N.H. Long Professor of Genetics
Professor of Cell Biology and Molecular, Cellular, and Developmental Biology
